YOUTH PROGRAMMING

YOUTH GROUP — SUNDAY NIGHTS @ 6PM

Life as a teenager is hard, but it's much harder alone! Students engage weekly in community through time in worship, learning from the Bible and pretty awesome games!

DISCIPLESHIP GROUPS — SUNDAY NIGHTS @ 6PM

All D-Groups are scheduled to meet during our Sunday night Youth Group. There are middle school and high school groups that are divided between male and female. This is where we dig into deep conversation relating back to the message from our lesson.

SPECIAL EVENTS THROUGHOUT THE YEAR

In addition to our regular programming we offer winter and summer camps, mission trips, day trips/events and more. We believe that these opportunities not only strengthen the community and make for life lasting memories, but they also serve as proving grounds of our faith when it comes to serving, encouraging, helping and understating one another.

*We take our **community** and **fun** VERY seriously!*

Our Youth Pastor **Zac Price** comes to us from the nearby city of Sultan. Zac's calling to become a youth pastor took place when he himself was a youth. That pursuit has led him to Northwest University where he has studied pastoral and family ministry which has equipped him to pursue his passion for reaching and teaching students. Zac, married to his wife Brie at age 20, loves Disc golf Spikeball and photography.

As a church we do the things we value and building followers of Jesus through community is one of our main values. Even though collectively this happens each Sunday, we know there's a greater depth that can be reached when opportunities also exist for specific ages and seasons of life.

Our YouthMinistry community exists to provide such opportunities. We are here to engage our Youth with life changing truths from scripture that can guide them through our ever changing world and culture.

OUR YOUTH VOLUNTEER LEADERS

We have an amazing group of dedicated volunteers who support and enable our efforts. All our volunteers are screened through IntelliCorp and are trained through our policy and procedures designed to provide a safe and growing place for all our minors.
